Project Number: 2020-1-SE01-KA204-077996

LTTA from the application:

The seminar that will be functional to the development of the IOs, and in particular of IO1, IO3 and IO4. The first LTTA will have three main goals:

1. to increase knowledge about social economies and sustainable development, methodologies for promoting the cooperative model and motivate new people with entrepreneur skills
2. to present learning module and project to trainers and stakeholder and receive an important feedback on the effectiveness of the output 1 3- to present the materials prepared to trainers and stakeholders and initiate specific work for the development of the pilot training
3. IO3 PARTICIPANTS. The Seminar is mainly addressed to trainers with consistent experience in promoting social business, cooperative models and in supporting new start-ups. The partner organisations will be part of the Seminar presenting their good practices and successful cases. Relevant stakeholders will be invited to attend the Seminar and provide feedback to the learning model and the methodology adopted during the work groups discussions and through the final questionnaire.

The feedback received from the participants will be used to make necessary changes to the outputs

EXPECTED RESULTS

The expected results of the seminar are:

- Increased knowledge of the participants about the themes of the project
- Increased awareness about opportunities for introducing innovation in social businesses;
- measured the outcomes of the learning model.
